## Help the PA Be Ready for Anything!

The PA traveled in uncharted territory this spring, reorganizing spending priorities to make funds available for unexpected costs due to the impact of COVID-19. Because of your generosity, the PA was able to step up when asked to support special events like purchasing lawn signs for each graduate, celebratory banners for Concord and Carlisle, class photos for graduate swag bags, pennants for local businesses, gift cards in lieu of our traditional teacher appreciation lunch and more. Much uncertainty lies ahead, so the PA needs to be prepared for challenges and program modifications that will most certainly be necessary this fall. Your support is more critical than ever, so please donate today by [clicking here](#)
